ABOUT VOLVEMOS

Volvemos was founded in Berlin in 2016 by two Spanish emigrants who wanted to return to Spain

Our mission is to promote the return of emigrants to Spain under the best possible conditions

14.000
Emigrants
travelling to Spain
want to return

Collaborated with 20
government agencies

Collaborated with
around 500
companies

2 Erasmus+
projects to
support Spanish
migration
managed

We advise around 10
migrants every day

We estimate that we have helped 3,000 Spanish emigrants return to Spain

WHY IS VOLVEMOS.ORG NECESSARY?

2,742,605 Spaniards live abroad (according to PERE, 01/01/2022)

Many of these Spaniards would return to Spain if they found a (good) opportunity

Spanish Constitution, Article 42: "The State shall pay special attention to the defence of the economic and social rights of Spanish workers abroad and shall direct its policies towards their repatriation"

Our opinion: Current policies to support the return of emigrants are not enough
